Work Experience

BETSOLUTIONS LLC

Front-End Developer - remote

November 2023 – present

- During my tenure, I developed a captivating **STORY FEATURE** for a client, utilizing **HTML**, **CSS** and **jQuery**.
- During this time, I successfully update the **INTERFACE FOR THE PAYMENT** side using a combination of **HTML**, **CSS** and **jQuery** to create a more efficient and user-friendly experience.
- Assembling the front part according to the design provided by the web designer.

Freelancer	Front-End Developer	September 2022 - November 2023
------------	---------------------	--------------------------------

- During this time, I dedicated myself to enhancing my understanding and applying it effectively. Moreover, I utilized this time to craft my **Portfolio website** using **HTML, CSS, JavaScript, and Angular**
- I successfully completed a project that incorporated details about a **Summer Camp**. I used **HTML, CSS, JavaScript** and **Bootstrap** You can see part of the project on my GitHub Page
- I've engaged in various challenges from www.frontendmentor.io, employing them as practical showcases for my skills. These encompass projects such as the **IP Address Tracker, Todo App, Launch Countdown Timer, Calculator App, Interactive Comments Section, Interactive Card Details Form, Chess Game, Random Password Generator** and other projects which you can to see in my GitHub Page.

"Financial-Analytical Group ACA" LLC	Assistant Accountant	September 2021 – February 2022
--------------------------------------	----------------------	--------------------------------

- Software processing of primary documents
- Control of debtor-creditor balances
- Control of banking operations
