## ▼ About Me

    I am a student of Ivane Javakhishvili Tbilisi State University at the Faculty of Economics and Business, but my great desire was to study and work as a Web designer.

    My passion and commitment to my work has always enabled me to take pleasure in what I do and strive for achieving my goals. I am a determined and adaptable person, who constantly aspires for novelty. I also have a very well developed problem solving, communicational and analytical thinking skills. Which I greatly hope would make me a suitable for this program, as well as an asset for you!
